S' AUTHENTIC ES OF MAPS

A really first-class, up-to-date series of maps on a large scale at a low price.

These maps are prepared from engraved plates, and will be found to contain as much detail as is consistent with their various scales.

They are attractively printed in colours to show the various Political Divisions of Countries, Sub-Divisions and States. Railways are accurately and distinctly delineated, Principal Roads, Submarine Telegraph Lines, etc. are given.

Each sheet measures 27 by 22 in.; when folded, 4 by 7½ in. Folded in cloth case, each,

1s. Net.

Mounted on cloth to fold in cloth case,

2s. Net.
